

Question 1(a)

Listen here,

I am the farmer of Manor farm that is not far away from this Red Lion. As a normal farmer, I treat my ~~am~~ animals well and I never let them get hungry. Just a year ago, I ~~lose~~ ^{lost} many times in dealing some problems with people ^{in the} ~~in~~ ^{in the} judge. ^{Once,} I felt ^{really} frustrated and disappointed and so I decided to go to a bar to have some beer. I had told my workers to feed the animals well ~~like~~ before but I think they didn't feed them ~~had~~ because of my laziness and without my watch. But that time I really don't know about it. ~~So,~~ When I came back my house, the animals in ~~their~~ their place started make noise when I came back. I thought I had told my workers to feed them and so I didn't care about them. After I went to sleep, for some while, I heard many noise come from my store room that keep many wreats, corns and other crops. I ~~feel~~ ^{began to} ~~felt~~ annoying and take my gun to see what ~~is~~ ^{is} happened. To my surprise, I see many animals that I ~~ha~~ owned by me is eating ~~in~~ the crops. I become angry and quickly use my gun to shoot ~~at~~ to the sky to frighten them. My workers all come out and started ~~beat~~ ^{caning} them and ~~let~~ ^{wanted to chase} them back to their ^{place} ~~age~~. But the animal seems to ~~become~~ ^{started} crazy and ~~started~~ to attack us back. We are shock by ~~our~~ ^{that never suspected to happen before} their event and therefore we ~~run~~ escape without carrying any valuables.

After that, I decided to return and get back my farm from

wild
these animal that betrayed me. I feed them and kept them so well but they
still want to ~~betray~~ ^{disobey my instructions.} me. All the men in the town ^{at} laughed ~~at~~ me when they listen
to my story. ~~Though~~ ^{try to} I Though they laugh at me, they still help me to get back
to my farm. Therefore, I became braver and we all ^{with full armed} ~~go~~ ^{went} to the farm. When
~~the~~ ^{reached} we ~~go~~ ^{went} to the farm, we ~~are~~ ^{were} attacked by the geese and all the animals
seems to become intelligent and not afraid our guns and other weapons.
We lose in this battle and all my properties has gone. My wife scolded me
for my uselessness and take my son ^{away} from me. I become very disappointed
^{come here} and ~~lose myself~~ after these events happen.

This these creature what we called animal! Betray us in and attack
us back! Didn't care what we ^{do to} ^{kind to} them ^{before} and ~~go~~ ^{robbed} away all ^{my} things!
For those ^{to me} ~~The~~ you who listen here, don't try to be funny about my story. Be aware to of
your animal! If you don't, you'll end up like me soon!
