

It is just incredible for me to believe that I was turned out of my own property by a pack of good-for-nothing animals! Can you believe that? It's my own farm, and it is the farm that I have worked hard for its prosperity! ~~And~~ ^{Until} now, I ^{still} can not understand what caused the crazy animals to attack me who fed them and took care of them!

It was just the day after I came back from the drinks and wanted to have a bit rest. I knew maybe I had overlooked them for a few days because I ~~was~~ got into some trouble according to the law. But admittedly, I am a good master most of the time. There was suddenly deafening noises that ~~was~~ ^{was} from the big barn. I went for a check with my workers and ~~was~~ you can't imagine what I had seen! The group of animals ~~was~~ were just knocked into the barn and helped themselves to the ~~food~~ ^{grains}. Even if you were me, you wouldn't have allowed this to happen, ~~you~~ ^{right?} ~~would have you?~~

I carried the whips with my mates and flung onto them in order to scare them and tame

them. But just as scary as a person ~~can't be~~ couldn't bear, they ~~were~~ ~~at~~ lost all their reason and started attacking us like crazy. The horses stepped their hoofs onto ~~us~~ us and the cows used their horns to hurt us on the stomach ... All the other ~~animal~~ stupid animals, no matter what size they were, ~~how big they were~~ from small like ducks to as big as pigs and horses, ~~they~~ produced tremendous noises annoying us, attacked us in every way they ~~could~~ could. ^{Even} the ducks ^{was hurting us using their beaks and} and chicks ~~was~~ ~~it~~ ^{jumped} was chasing us, ~~all~~ all of them seemed not to be scared at all. They were all crazy, didn't consider who used to feed them and care ^{about} them. Without us, they will be ~~at~~ dead ~~were~~ ~~dying~~ sooner or later! Do not laugh at our ~~timid~~ run away for life, we couldn't even have a space to stand still without jumping and running to avoid all the attacks that ~~was~~ from the ducks, horses and cows! We were chased off the gate of Manor Farm, can you believe that? ~~we~~
