

Text Two

(a). One perspective shown is ~~that~~ the ~~the~~ romantic aspect for the travel in this advertisement.

- In order to convey the "romantic" idea to the responder, the advertisement ~~is~~ emphasized on "romantic", using lots of emotive words ^{to attract our attention} ~~in point form~~, such as ~~the~~ delicious, and some ~~the~~ nouns to describing the "romance", such as "candlelit dinner".

~~the~~

- The picture of the beach sightseeing with ~~the~~ a couple adds the visual sense of how the resort will be like, related to the name "Sunset Beach Resort".
- The conditions that set out in point form clearly gives us information about the travel.
writing in big font size
- the ~~the~~ price [^] in the ellipse draw our attention. And it's stated for "two share".

(b). Different perspectives on travel are communicated through Text Two, Three and Four.

~~the~~ ~~the~~ Text ^{Two} ~~the~~ emphasis on the romantic aspect the trip will bring to us. While Text Three try to persuade us take on an endeavour, making the first decision to take a look at the trip which looks

not that easy as going to beaches. Moreover, ~~the~~
Text Four conveys the idea of having a holiday at
the beach, listening to the sound of the ocean and
relax. It is a similar trip with Text One but
communicate different aspects, in other words, different
perspective on the trip on the beach.

Text Three.

(c).

Take your first step to the mysterious
land! Although there's no beautiful flowers or
relaxing sounds of the waves, you will experience
the most memorable time you can ever have in
your life. Riding camels ~~the~~ ⁱⁿ ~~approaching~~ the
sunset, ~~you~~ ~~if~~ relax both your body and
soul with the natural sites and creatures,
listening to the sound of the wind and the sand.
It's like doing everything else, make ~~you~~ your
decision, take your first step to the endeavour, then
you will find out ~~the~~ something that is unexpected
but certainly worth and great!
