Dear, Excursion Coordinators,

I am writing this letter to let you know about the youth activities at Big Mountain Ski Resort that you might be interested in.

We have very interesting activities such as Alpine Skiing, Night Skiing, Snowcat Skiing, Snow tubing, snowboarding which I am sure school kids would love it. Furthermore, about snow, the depth of snow was 250 mm last

year. The temperature ~~is~~ & weather is very good. The average temperature during winter is -2°C & the percentage of fine weather days during the winter is 70%. The experience of snowboarding & other activities are just awesome. You have never ~~ex~~ experienced this moment. So why not enjoy this beautiful & relaxing moment?

The Big Mountain is located 526 km from Sydney. If you come in a group you will be given discount.

I am sure everyone would like to spend their time in the most fabulous place. This place only comes in dream but now your dream will come true.

If you have any question about anything, please do not hesitate to call me on [redacted] or [redacted]. I am very looking forward to see you.

Your Sincerely
