Excursion coordinators

(Many Schools' address)

Dear Sir / Madam,

I am writing this letter to you to inform about the Big Mountain Sky report. I personally believe it is suitable for all high school students in your school to come & and have an excursion.

~~As we all know, it's July now. August now. All the And It's the best season to~~

~~go and have an excursion on ski, because the the weather is cold enough~~

It's August now, a new term is ~~starting~~ ^{has} started for about 4 weeks already. Don't you think it is the time to give the students some fun & relax? Well, you'd better come to the Big Mountain Ski Resort. It's winter now, everyone wants to see the snow because it's so beautiful! ~~But~~ There is no snow in Sydney but Plenty in the Big Mountain Ski Resort! You can have a great view here, but more importantly, all the students (include teachers) can have a go at skiing. Isn't fantastic ~~for an excursion?~~ excursion? Everyone will be too excited to come!

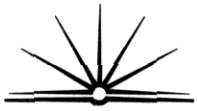

The Big Mountain is about 500km away from Sydney, it sounds long but doesn't matter, young people as well as old people will enjoy the trip. We have 50 lifts, 250 instructors which who ensure all the kids are safe. The highest point in Big.

Mountain is 2103m, and you can have a run for 4 KM!! Our equipment are first ~~to class~~ class which ~~we will~~ means you can do Alpine skiing, Night ~~span~~ skiing, snowcat skiing, snow tubing ... lots, lots of things but relatively very cheap!

I know that some ~~the~~ students will worry about the fees, but the good news is, there will be a discounted lift & lesson passes, hire rates, free-of-charge passes ... ~~for every~~ if ~~you~~ one group can come. The more ~~for~~ the students, the greater the discount will be! Also to bring a group ~~it~~ can help to save time — prearranged lessons. (Queue ~~from~~ priority in lift lines during lesson time.)

Don't you think our resort is ~~so~~ magnificent? The students can enjoy the view or activities here which will be an unforgettable experience for them! The ~~money~~ ~~for~~ ~~the~~ ~~resort~~ cost is very cheap, the safety will be insured, & everyone will have fun, so what's ~~or~~ the problem? Why don't you book us now?? ~~Every coordinators will~~ It is YOUR

Big Mountain Ski Resort! Every student will just be too excited to come & ~~too~~^{too} satisfied when return.

~~Excuse~~ Excursion is a very important way to relax & learn new things. Just do not ~~miss~~ miss the chance, it may not be back!
