Dear Sir / Madam,

I am writing this letter
~~to you~~ in order to introduce
our Youth Activities at Big
Mountain Ski Resort which
is located in Thredbo. I believe
the activities will enrich your
students' experience, ~~and~~ interpersonal
skills and broaden the students'
~~pers~~ views.

Youth Activities are established in 1983 to ~~also~~ provide youth the chance to ~~challenge~~ ^{participate} in the attractive activities such as ~~A~~ at Big Mountain such as Alpine skiing, Snowcat skiing, snow tubing and snowboarding. The mountain is ~~very~~ renowned for its snow depth where people could enjoy skiing and snowboarding ^{between} anytime during ~~the year~~ June and October.

The advantages of ~~bring in~~ bringing ~~to~~ a group rather than individuals are significant, As ~~the~~ ~~sets~~ ~~up~~ the cost of the activities for each individual would reduce substantially. ~~It~~ ~~as~~ for A few examples include Discounted Lift and lesson passes, Discounted

time rates and free-of-charge passes and/or time to groups meeting certain criteria.

Also we are always ~~to~~ making effort so that ~~the~~ the activities will proceed as expected, without any delay. The school groups are, amongst all the tourists, prioritised in order to save time. For ~~instance~~, the lessons are prearranged, only one person needs to queue to pay for passes and/or time and queue priority in lift lines during lesson time are only a few examples of the benefit by bringing a group. Also, there are ~~some~~ quite large number of instructors who are very experienced in skiing and snowboarding, ~~as~~ in which they are able to accommodate the students

need as to how to ski properly
and improve their skills skiing
skills.

If you are interested, please
do not hesitate to ask any
questions ~~also~~ regarding these these
activities and I will endeavour to
accommodate your needs.

I will ~~am~~ ^{look} looking forward to
your reply

Yours faithfully
