

Question 16 (6 marks)

Refer to Source A and the following maps of New Zealand.

- (a) What are the land uses found along the transect from Auckland to Wellington? 2

The land uses found are dairying, and for extensive livestock.

Question 16 continues on page 11

Question 16 (continued)

- (b) Account for the distribution of agricultural land use in the South Island of New Zealand. 4

.....
The distribution of the agricultural land here is fairly well distributed as there is equal space for the amount of land not being used and land being used for ~~growing~~ ^{extensive} ~~mixed crops~~ and livestock, although we also see that less land is devoted to growing growing mixed crops and livestock.
