

## Geography

## Section II (continued)

Marks

## Question 19 (7 marks)

- (a) Using Source I, describe the spatial pattern of the global production of oil in 2000. 3

Source 1 shows that  $\frac{2}{3}$  of the global production of oil is produced in the Middle East with only comparatively smaller percentages in other parts of the world.

- (b) Describe TWO factors influencing the future direction of a global economic activity you have studied. 4

One factor influencing the future direction of tourism is the uneasiness that has settled over the world since September 11. This has slowed tourism down as many are afraid to fly with continued terrorist attacks. Another factor is the ability for the place that is being visited to be able to sustain its tourism industry.
