BOARD OF STUDIES
NEW SOUTH WALES

Question 23

a). • How many students are definitely interested in starting straight away, for extra to Tuition.

• How many teachers are want to do this saught of work, and are prepared to work long hours.

• They need to establish links to Board of studies for specific detail of each subject e.g Sylabures etc.

• How much money there going to charge people, and how often there going to collect money.

b). There are some social issues relating to this; there is not one on one tutoriy in person with the student and teacher, It would be hard to try and understand the teacher by just reading what ~~he say~~ he or she is ~~trying~~ to say. If you are not ~~th~~ computer illiterate it would be hard for some student to use the Website. The amount of work and long hours that need to be put into this project would be alot. And the Website is would have the primary issue of account detail, names and addresses of students, various web sites that might be unacceptable by the board of studies.
