

15 A family wants to find a place to live where the rent is no more than \$250. Both houses and flats would be suitable.

Which of these SQL statements will list suitable properties?

- (A) `SELECT Address FROM Properties WHERE Type = "House" AND Type = "Flat" AND Rent <= 250;`
- (B) `SELECT Address FROM Properties WHERE Type = "House" OR Type = "Flat" OR Rent <= 250;`
- (C) `SELECT Address FROM Properties WHERE (Type = "House" AND Type = "Flat") OR Rent <= 250;`
- ✓ (D) `SELECT Address FROM Properties WHERE (Type = "House" OR Type = "Flat") AND Rent <= 250;`

Question 15 : % answers correct by band range
