

① Contains Perishable items	Distance Delivery	Order Value	Delivery Charge
Yes	Any	Any	Yes
No	> 10km	> \$100	NO
NO	> 10km	≤ \$100	YES
NO	≤ 10km	—	NO

② The importance of user documentation for this online store is clarify the user and inform the user of how the online store and its features. It may also contain answers to questions raised by the users.

③ An issue would be the use of gathered information by the website. The information should not be sold or given to companies without the consent of the user or the person who's information it belongs to.

Another ~~issue~~ issue would be the

Simple design of the site. It must not discriminate groups and must be simple to use so many people can use it.
