Question 11 — Australian Textiles, Clothing, Footwear and Allied Industries	Marks
(5 marks)	

- (a) Explain one way the Australian government has attempted to make the Australian Textiles, Clothing, Footwear and Allied Industries more competitive internationally. 2

Austrade - a major exporting company that assists in areas critical to the ATCFAI. Austrade offers assistance in funding for companies who wish to export their goods.

- (b) Discuss why many Australian textiles, clothing and footwear companies have chosen to manufacture their goods overseas. 3

Australian companies have chosen to manufacture their goods overseas due to the fact that the cost of labour, award pay & facilities are cheaper overseas and in other countries. This allows for companies to manufacture their goods at a lower cost and ship them back into Australia or any country they may be exporting to. Facilities used and warehouse space often are cheaper. ~~and resources~~
