

b) And then next, Roman citizens, ^{There are four} ~~let me list to you~~ the four types of

people who ^{have} ~~are out to~~ harmed me,

The first of which, who are people of the state because they are

able conservatives, and very disagreeable to my

thoughts.

Another kind, are people who'll pretend to ~~me~~ be my friends and then

try to kill me, it has happened to be before.

Thirdly, ^{people} of which, are lazy and are not able to achieve the same standards as I, yet the ~~prais~~ pretend to praise and

~~It is not possible for them to catch up.~~

complement me.

who seem to praise and

Fourthly, people of which, owe money to the state,

they really have something against me, their situation is unsufferable

to fellow citizens. They cause danger to me and the people.

It ^{was} ~~is~~ because they are not in the possession of themselves, they are my

reasons for their hostility.
