

(b)

At last, Roman citizens, now there are four groups who attack me with all men, one of these, who ~~the state~~ ^{the state} hates, because I have saved them from punishment, they bring great punishments to me, the other, who wickedly deceive me with the pretence of friends, the third, who, ~~when~~ although they are not able to to achieve because of their ^{same} inaction, they serve my good name & glory, the fourth, who, when they give to be the guards of the state, greet me, ~~come~~ ^{lack} ~~with~~ the conditions of citizens, dignity of this empire, because it is in their possession.
